

Texas Vendor Drug Program

Clinical Prior Authorization Index File Layout

- Layout effective: May 29, 2017
- Document update: Oct. 1, 2018

The Vendor Drug Program provides a weekly update of resource data available for download from txvendordrug.com/resources/downloads. This file is of variable field length. Column headers are included as the first line, and each subsequent line is a row of data whose items have been separated by a comma. Values are enclosed between double quotes when values are present, but double quotes will not be applied to fields when no character value exists. Null values are not populated with spaces.
